No digo que vaya a ser fácil, pero sin duda merecerá la pena.

Recomendaciones para la recuperación del segundo período académico del 2017, y para el tercer período con cierre de año.

1. Facilitarle al estudiante los materiales necesarios para la clase: unidades 1 a 5 del libro CHOICES de Pearson (se aceptan las fotocopias), cuaderno adelantado (FIRMARLO SEMANALMENTE) y portafolio con quizzes, lecturas trabajadas y actividades del Día del inglés.
2. Asistencia de acudientes en horario de atención a padres para acompañar el proceso.
3. Participación activa en las clases. Realizar tareas y presentar repasos de las temáticas en hojas de examen cuadriculadas para preparar los quizzes y la bimestral.
4. Cumplimiento con los acuerdos de convivencia del ciclo: escuchar, respetar, ser comprometido con el estudio para construir un mejor futuro, ser aseado, consumo adecuado y educado de los alimentos.
5. Leer el plan de mejoramiento en la página y colaborarle al estudiante mediante la corrección de sus pruebas de lectura de los otros períodos para que tenga un buen desempeño.
6. Firmar recibido y dejar su correo electrónico claro. Escribir al correo de la docente sesperanzac2011@yahoo.com.co – luzyan013@gmail.com

Cordial saludo
Sonia Cortés
Yanira Borja

READING

México is a large Central American country, between the Atlantic and the Pacific Oceans. It is a mountainous land, but there are also beaches, like the ones in Acapulco. There are jungles and deserts, like the Sonora Desert. The weather is tropical in the Gulf of México and hot and dry in the Pacific coast. México City is an interesting city because there are many cultures. It is also the capital of the country and it is an industrial city. The Aztec is an example of an agricultural Mexican civilization of the past. Teotihuacán is an archaeological zone with large and important pyramids. The Maya is also an ancient culture in the Yucatán Peninsula, and a good example of an advanced civilization, principally in science, mathematics and astronomy.

Reading

Many Irish people have emigrated from Ireland to the United States over the last few centuries. They brought St. Patrick’s Day with them. St. Patrick’s Day is a serious religious holiday in Ireland, but it has been changed quite a bit in America. Today in America people enjoy St. Patrick’s Day by wearing green. In fact, if you don't wear at least one small green item, school children may pinch you. Probably the most common symbol for this holiday is the shamrock. Since the shamrock has three leaves, thousands of years ago St. Patrick (a religious leader) used it to teach the Irish people about the three parts of God. Today many people wear a shamrock design on St. Patrick’s Day because it is supposed to bring good luck.

On this day many people also enjoy going to a pub and drinking beer. They tell jokes and have a good time. People who don't come from Ireland like to pretend they are Irish, too. Some cities hold parades or marathons. It’s not a very big holiday, but it can be a fun one for the people who want to enjoy it. It is very different kind of celebration from St. Patrick’s Day in Ireland.

IX. ANSWER THE QUESTIONS BASED ON THE READING.

1. What day is St. Patrick’s Day celebrated on? ____________________________________
2. Do people go to work and school on St. Patrick’s Day? ____________________________
3. What country does St. Patrick’s Day come from? ________________________________
4. What color do people wear on St. Patrick’s Day? ________________________________
5. If you don't wear that color, what will school children do to you? _________________
6. Wearing a shamrock will bring you good _____.
7. Where do people go to drink beer? ________________________________
8. In some cities people run in a _____ on St. Patrick’s Day. _________________________
